Harry Lang Mosaic i3 Leadership Profile

March 2020

Natural Strengths

- Natural visionary who is confident to assume authority and be accountable for goals, sound plans and objectives, by facilitating people and resources.
- Usually very discerning and bold when setting strategic direction for longer term projects.
- Will tend to consistently drive others towards the delivery of targets and persuade more productivity where they feel it is lacking.
- Is likely to be able to take criticism whilst remaining focussed on project implementation and targets

Effective Environment

- Interacting and being with people more often than not.
- A changeable and spontaneous environment will be taken as a positive challenge.

People Management

- Will probably manage by being direct and to the point, measuring the performance against their own expectations.

Communication

- Will clearly set out what they perceive to be important or relevant to the longer-term success.

Working with Others

- Will tend to enjoy formulating plans and working alongside other sharper minded individuals.

Approach to Task

- Will tend to be a keen strategist who is likely to take on thought provoking tasks and be accountable for actions.

Approach to Responsibility

- Will normally take their responsibilities seriously and manage others to ensure they are true to their word.

Summary Statement

- Facilitating and inspiring people consistently to deliver strategic solutions in a flexible and changing environment.
